WILD GEESSE

In Large Numbers Stop Over Enroute South.

Wild geese in large numbers have been passing southward for several days. Wheat fields in South Christian, near The Square, have suffered considerably by their depredations. Several parties of this city visited the stopover quarters of the birds and got several shots, but failed to bag any game.

Escaped From Jail.

Four prisoners escaped from the jail at Manfordville by cutting through the wall. Five years before two of the four escaped from the same jail in the same way by cutting a hole in the same place.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first aid should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it. Thousands of testimonials letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

JOHN BULLARD

Appointed to Represent the Hopkinsville Tobacco Interests.

Louisville, Ky., Jan. 19.—Col. Sam H. Stone, former Auditor of Kentucky, but now president of the Stone Tobacco Warehouse Co., of Louisville, has accepted the chairmanship of the Sub-Finance Committee on Tobacco of the Kentucky Exhibit Association and will at once begin an active canvass among the tobacco firms and corporations of the State for subscriptions to the \$100,000 fund now being raised. The following well-known tobaccoists have been appointed on Col. Stone's committee: A. C. Tompkins, Owensboro; R. H. Soaper, Henderson; John Bullard, Hopkinsville; W. O. Head, Charles Bridges, John Brown, John J. Hatteman, Basil Doerhoefer and J. A. Lancaster, Louisville. Several additional co-committees are to be named by Col. Stone. He will probably see that every big tobacco growing county in the State has representation, so the contributions will be large.

OLD-TIME FIDDLER

And Prize Winner Killed by a Freight Train.

W. F. Royster, a prominent farmer, was killed by an L. and N. freight train at a road crossing near Roberts Friday night. The engine struck his wagon, throwing him about thirty feet.

Mr. Royster enjoyed the reputation of being one of the "Old-time Fiddlers" of Henderson county, and carried off one of the prizes at the Elks' Fiddlers' Contest held in Henderson last winter.

ABANDONMENT

The Charge in Each of Three Divorce Suits.

Docket Beginning to Fill Up For Spring Term of Circuit Court.

During the past few days three divorce suits have been filed with the circuit clerk for trial at the spring term of court.

The first is W. J. Brasher against Minnie Brasher. The plaintiff states in his petition that they were married Jan. 1, 1902, and on Jan. 15, just two weeks after the marriage, defendant abandoned her home without any fault upon his part and returned to her father's home, where she has resided continuously ever since, and that she has refused to live with him.

Annie Leverett vs. William Leverett is the style of another suit. They were married in 1895 and lived together until 1901, says the petition. Abandonment is charged.

Emma Gee sues for divorce from Lewis Gee. They were married in 1890, according to the petition, and lived together until February, 1901. Abandonment is the allegation in this case also. The defendant is a non-resident, and has been living in Howell, Ind., for some time. Plaintiff lives near Newstead.

The parties to the last two suits are colored.

DR. A. S. BENTLEY

Succumbs to a General Physical Collapse.

Dr. A. E. Bentley, a leading citizen and physician, died at his home in this city Sunday evening, after an illness of several weeks of paralysis, aged 65 years. He was a native of England, but came to America when young, and located in Kentucky. He was city judge at Seebree for several years, and was a member of the Hopkinsville city council one term. He was prominent in business circles, and was Eminent Commander of the Knights Templar Commandry of this city, and Chaplain of the local Lodge of Elks. He was an active member of the Cumberland Presbyterian church, and his funeral took place from that church yesterday afternoon. He was buried at Hopewell cemetery, the funeral services being conducted by the lodges of which he was a member. He leaves a widow and one daughter, Mrs. W. E. Boardland, of Dixon.

CHARGE OF HOUSEBREAKING

Registered Against Gilbert, Who is in Jail.

William Gilbert, col., was arrested last Thursday afternoon on the Hooper farm, near the city, by Officer Jack Boyd. Gilbert is accused of breaking into Max Meyers' and Son's slaughter house and carrying off several beef hides. He was remanded to jail on a charge of housebreaking. The grand jury will look after the matter.

OUT ON PAROLE.

Bob Coleman Released From the Eddyville Prison.

Robert Coleman, col., who was sent to the Eddyville prison from this county, about six years ago, to serve eleven years for murder, has been paroled. Coleman is suffering with consumption. Three other prisoners afflicted in a similar manner were also released on parole at the same time.

Miss Cornelia Chambers, teacher of the school at Gracey, was taken with fever last Thursday and is unable to teach. She was able to leave Sunday for the home of her uncle, Mr. A. M. Henry, at Newstead. Her school lacked only a week of being out.

SECOND DEGREE MURDER

Was Verdict in Will Morrison Case.

The jury in the case of Will Morrison, of Kimo, this county, on trial at Nashville for the killing of Douglas Coffman, returned a verdict of guilty of murder in the second degree and fixed his punishment at twenty years in the penitentiary.

This was the third trial of the case. At Springfield, when the killing occurred, Morrison was convicted of murder in the first degree and sentenced to be hanged. This was reversed by the State Supreme Court.

He obtained a change of venue and at the second trial in Nashville the jury failed to agree, a majority of them holding out for first degree murder.

Mr. J. B. Allenworth, of this city, was one of the attorneys for the defense and made a speech, which was highly complimented. Motion for a new trial will be heard Jan. 24.

FRIGHTFUL ACCIDENT.

Arm Caught in Shredder And Horribly Crushed.

Mr. John M. Morris, the dairyman, who lives near the Western Asylum, happened to a frightful accident late last Thursday afternoon. He was "feeding" a corn shredder, when his hand was caught in the cylinder and terribly crushed. The injury extended nearly up to the elbow and it was found necessary to amputate the limb at the elbow joint. Drs. Sargent and Jackson performed the operation Friday. Mr. Morris is now getting along as well as could be expected and if blood poison does not develop he will recover.

GOES WITH T. C.

Mr. John C. Davis Given Position as Road Master.

Mr. John C. Davis, of Springfield, Tenn., who for fifteen years has been Supervisor of track of the Henderson Division of the Louisville & Nashville Railroad, has accepted a position with the Tennessee Central as Road Master and will take charge of his new job next week, says the Robertson County News. Mr. Davis has not decided where he will establish his headquarters on the new road but it is more than likely that Lebanon will be the place selected.

Mr. Davis' new position is a much better one than the one he now holds and a nice increase in salary will accompany it.

It is not known yet who will succeed Mr. Davis with the L. & N.

MARRIAGE OF GIRL

Who Once Ran a "Butch" in

Rat Attire.

Rockport, Ky., Jan. 13.-May

Robertson, who donned boy's

clothes last summer, and ran as

well as performing several other

stunts in male attire, is married.

The romantic part of her make-up

came to the front even when she

promised to be kind and true and

obey. For she and the object of

her affections ran off from Roches-

ter to Central City, where they

were married. Miss Robertson

was known as the dining room girl

in Echols Hotel, when Bill Carna

came in with a show. He boarded

at the hotel for three days, where

the erstwhile male impersonator

was serving the meals, and with

her boyish, conquering ways, she

managed to capture the heart of

the manager and the two eloped,

although her father, who lives in

Echols, stated that he would have

had no objections, as he was rather

anxious for May to settle down.

She says she enjoyed the freedom

which parading in such a costume

permitted. They will return to

Echols, where they will live.

Don't Worry.

This is easier said than done,

yet it may be of some help to con-

sider the matter. If the cause is

something over which you have no

control it is obvious that worrying

will not help the matter in the least.

On the other hand, if within your

control you have a cold and fear an

attack of pneumonia, buy a bottle of

Chamberlain's Cough Remedy and use

it judiciously and all cause for worry

as to the outcome will quickly dis-

appear. There is no danger of

pneumonia when it is used. For

sale by C. K. Wily, druggist.

Appropriated \$15,000.

The Allen county Fiscal Court

has appropriated \$15,000 for a

courthouse at Scottsville.

Mrs. Johanna Soderholm, of Fer-

gus, Minn., left and dislocated

her shoulder. She had a sur-

geon get it back in place as soon as

possible, but it was quite sore and

she mentioned that she had seen

Chamberlain's Pain Balm advertised

for sprains and soreness, and she

asked him to buy her a bottle of it,

which he did. It quickly relieved

her and enabled her to sleep which

she had not done for several days.

The son was so much pleased with

the relief it gave his mother that

he has since recommended it to many

others. For sale by C. K. Wily, druggist.

Deal is Off.

The deal of the sale of the Louis-

ville Hotel to Iseles, of Memphis, is

off, because of the objections to the

title.

Rev. Carlisle P. B. Martin, L. L. D.

Waverly, Texas, writes: "Of a

morning, when first rising, I often

find a troublesome collection of

phlegm, which produces a cough

and is very hard to dislodge; but a

small quantity of Ballard's Hore-

hound Syrup will at once dislodge

it, and the trouble is over. I know

of no medicine that is equal to it,

and it is so pleasant to take. I can

most cordially recommend it to all

persons, needing a medicine for

throat or lung troubles." Price

25c, 50c, \$1.00 bottle at R. C. Har-

dwick's.

the Birmingham and Atlantic rail-

road.

A Reliable Remedy For Bowel

Troubles.

Rev. J. M. Yingling, pastor of the

Bedford St. M. E. Church, Cum-

berland, Md., says: "It has been a

great pleasure to recommend

Chamberlain's Colic, Cholera and

Diarrhoea Remedy. I have used it

and know others who have never

known it to fail." For sale by C. K.

Wily.

Candidate for Governor.

Mayor Tom L. Johnson, of Cleve-

land, will be a candidate for the

next Democratic nomination for

Governor of Ohio.

Cut this out and take it to Wily's

drug store and get a free sample of

Chamberlain's Stomach and Liver

Tablets, the best physic. They also

cure disorders of the stomach,

biliousness and headache.

Son Shoots Father.

At Marion, Ind., John Prall, aged

twenty-one, shot and killed his father

in-law, Al Biggs.

If your stomach is disordered,

bowels irregular, and you don't feel

well, you need Prickly Ash Bitters.

It is very effective in removing this

condition. R. C. Hardwick, special

agent.

CONCERNING ROSE VALUES.

Some Recent Litigation Indicates That

They Reach High Figures.

The rose in popular estimation is

the queen of flowers, but apprecia-

tion of it is generally lost for the

poet's expression, and its merits are

not usually threshed out in the dry

courts of law. It is true that it has

been associated with one of the

world's most interesting civil wars,

but even there the part it played was

one of sentiment and symbolism and

we have waited until the utilitarian

age to have that sentiment translated

into terms of commercialism. Per-

haps those terms have been appreci-

ated before this by those who have

sought to express themselves in floral

ANNOUNCEMENTS

We are authorized to announce

MR. WEBB C. BELL,

of Christian County, as a candidate for Railroad Commissioner in the First Railroad District of Kentucky, subject to the action of the Democratic party. Election Nov. 1903.

We are authorized to announce

R. C. CRENSHAW,

of Christian County, as a candidate for Commissioner of Agriculture for Kentucky, subject to the action of the Democratic party. Election November, 1903.

Gov. Frazier, of Tennessee, will be inaugurated to-day at noon.

The annual convention of the Union Men is in session at Indianapolis, with 1,200 delegates from 24 states.

The deadlock continues in the North Carolina Senatorial caucus, with Overman 15 votes short of a nomination.

Herman, the Magician, will be in Louisville three nights of this week with his wonderful tricks. Of course the desire to learn something new in that line will cause a big attendance from out-of-town places like Frankfort.

Speaker Whitecotton, of the Missouri House, is a candidate for Governor. He is evidently looking for a soft place to plant himself, but if South Carolina methods of campaigning are to be adapted, he may have to consider the bale question also.

The largest gun ever made was given a successful trial at New York Saturday. The gun is sixteen inches and it costs about \$35,000 to shoot it. It requires 640 pounds of smokeless powder to throw a projectile weighing 2,400 pounds a distance of five miles.

Owensboro has put up a guarantee of \$17,500 and will have the State fair next September. Louisville and Lexington were also applicants, but the Western town met and overcame every obstacle until the fair was secured.

The machine gang at Frankfort are now figuring in the role of obstructionists. They are afraid to risk the court of appeals on the injunction case and will fight for delay, refusing to agree to have the test case advanced.

A female mind reader in Evansville looked into Owley Stanley's face and told him what he was thinking about. That was easy enough in the Kentucky Congress man's case, but suppose the lady had tried her experiment on some primary election advocate who had nothing to think with?

Lieut. Gov. Tillman, who attempted to kill Editor N. G. Gales, of Columbia, S. C., is a nephew of Senator Ben Tillman, and his term as Lieutenant Governor will expire this week. His attack upon an unarmed man, six months after the publication alleged to be offensive, has given him some very unenviable and unpleasant notoriety all over the country. It is difficult to see how he can escape conviction.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Sent for list of testimonials. Address: F. J. CROSBY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also.

Sufferers desire to move, especially after sitting or lying long, and their condition is commonly worse in wet weather.

"It has been a long time since we have been without Hood's Sarsaparilla. My family thinks he could not do without it. He has been troubled with rheumatism since he was a boy, and Hood's Sarsaparilla is the only medicine he can take that will enable him to take his place in the field." Miss Anna Perry, Sidney, Iowa.

The coal trust is the first unlawful combination to feel the knife in its ribs. Farm For Sale.

My farm of about 225 acres, near the city, is offered for sale. It is well improved. The live stock on the place together with all household and kitchen furniture and farming implements, etc., will be sold at public auction on Saturday Jan. 31, on the premises. Terms made known on day of sale. The farm will be sold privately before that date if desired.

Mrs. V. E. ELMOTT,
Hopkinsville, Ky.**HORSES KILLED**

Found to be Afflicted With Glanders.

Mr. D. J. McClelland, who lives on the Phelps place, has been forced to kill his horses and mules on account of glanders.

Dr. Eisman, State Veterinary Surgeon, was called to examine the animals, and pronounced the disease well developed glanders, and ordered those attacked by it to be killed. Seven head of valuable stock were destroyed, the bodies being burned.

Every precaution has been taken to confine the disease to the farm where it appeared, and it is not believed it will gain a foothold in the county.

As a further precaution against the spread of the disease, Health Officer R. L. Woodward has ordered all the public watering troughs to be cut off.

The disease is thus described: "Lungs or air passages always affected, flesh fades, glands swell, spirits low, appetite bad. A hyphatic gland adheres to the inside of the jaw; the membrane inside the nose ulcerates; a slight discharge from one nostril. This becomes thicker and adheres to the margin of the nostril, exhibiting white threads and bits of mucus; then it changes to a full stream of foul pus; next the nasal membrane grows dull and dropsical; the margins of the nostril enlarge, the discharge turns discolored and the animal dies of suffocation." There is no known cure.

LOCATES AT STURGIS.**Mr. J. W. Mitchell and Family Will Leave To-Morrow.**

Mr. John W. Mitchell, of this city, together with his family, will leave to-morrow for Sturgis, where he will locate and engage in business. Mr. Mitchell was for several years engaged in business at Herndon, South Christian, but moved from that place to this city about a year ago and accepted a position with Forbes & Bro., in the blacksmithing department, which position he held for many years previous to his removal to Herndon. Mr. Mitchell is an expert workman, a fine business man and a good citizen, and has made many friends in this city who will wish him well in his new home.

Notice.

Notice, to all whom it may concern is hereby given that upon the 17th day of January 1903 there was filed in the clerks office of the Christian Circuit Court a petition in the name and on behalf of the city of Hopkinsville, against M. F. Crenshaw, the object of which proceeding is to annex certain territory lying on the South side of Hopkinsville, Ky., between the Palmyra road and the Cox-mill road, and more fully described in said petition, and to include same in the corporate limits of the city of Hopkinsville. And if no defense is made to said petition at the term of the Christian Circuit Court commencing on Feb. 23rd, 1903, or the court grant further time for making defense the court will render a judgment annexing said proposed territory.

Given under my hand as clerk of the Christian circuit. This January 17th, 1903.

J. M. STARKLING, Clerk.

PASSED CENTURY MARK**Ten Years Ago, Did This Colored Woman.**

BLOOD HUMOURS**Skin Humours, Scalp Humours, Hair Humours,****Whether Simple Scrofulous or Hereditary****Speedily Cured by Cuticura Soap, Ointment and Pills,****When All Other Remedies and Best Physicians Fail.****COMPLETE TREATMENT, \$1.00.**

In the treatment of torturing, disgusting, itching, scaly, crusty, pimply, blotchy and scrofulous humours of the skin, scalp and blood, with loss of hair, Cuticura Soap, Ointment and Pills have been wonderfully successful. Even the most obstinate of constitutional humours, such as bad blood, scrofula, inherited and contagious humours, with loss of hair, glandular swellings, ulcerous patches in the throat and mouth, sore eyes, copper-colored blotches, as well as boils, carbuncles, scurvy, sties, and skin eruptions from any cause, or impoverished condition of the blood, yield to the Cuticura Treatment, and all other remedies and methods fail.

And greater still, if possible, is the wonderful record of cures of torturing, disgusting humours among infants and children. The suffering which Cuticura Soap and Ointment have effected among the young, and the comfort they have afforded worn-out and worried parents, have led to their adoption in countless homes as priceless cures for the skin and blood. Infants and children, with humours, milk crust, scall-head, eczema, rashes and every form of itching, scaly, pimply skin and scalp humours, with loss of hair, of infancy and childhood, are speedily, permanently and economically cured when all other remedies suitable for children, and even the best physicians, fail.

MEMORIAL SERVICE**Held at Methodist Church in Honor the Late Dr. Settle.**

A beautiful and impressive memorial service in memory of the late Dr. Henry C. Settle, was held at the Methodist church, Sunday morning. The large auditorium was filled with an audience that attested to the popularity of Dr. Settle, who was pastor of the church here from 1893 to 1897, and no minister ever served the church more acceptably nor did more toward building it up. The musical program was unusually fine. Judge McCarroll read the report of the committee on resolutions, which were a recital of the noble work he had done not only here but at Owensboro, Louisville and other points where he had served as pastor. A copy of the paper was directed to be sent to Mrs. Settle. There was no sermon, but the remarks of Dr. Southgate, the pastor, were appropriate, and moved many in the audience to tears.

## SOCIETY APPEALS

For Detailing of Army Officers as  
Escorts.

A Washington dispatch says:  
"It is current gossip in Washing-  
ton society this afternoon that a  
tremendous social pressure is to be  
brought upon the President, the  
Secretary of War and the Secretary  
of the Navy to have detailed in  
Washington several score of young  
officers of both branches of the ser-  
vices. The fashionable authorities  
declare that never before in the his-  
tory of the capital's social regime  
has there been such an absolute  
derth of available dancing men at  
the many dinners and social events  
in Washington.

On Saturday evening there were  
16 dinner parties given by fashion-  
able hostesses, who were put to  
their wits' end to find available  
partners, for the girls have literally  
sent their invitations broadcast to  
New York, Philadelphia and Bal-  
timore."

## Remarkable Cure of Croup.

A LITTLE BOY'S LIFE SAVED.  
I have a few words to say regard-  
ing Chamberlain's Cough Remedy.  
It saved my little boy's life. I  
feel that I cannot praise it enough.  
I bought a bottle of it from A. E.  
Steece of Godwin, S. D., and when  
I got home with it the poor baby  
could hardly breathe. I gave the  
medicine as directed every ten min-  
utes until he "threw up" and then  
I thought sure he was going to  
choke to death. We had to pull the  
phlegm out of his mouth in great  
long strings. I am positive that if  
I had not got that bottle of cough  
medicine, my boy would not be on  
earth today.—JOEL DEMONT, In-  
wood, Iowa. For sale by C. K.

## An Attack of Pneumonia Warded Off.

"Some time ago my daughter  
caught a severe cold. She com-  
plained of pains in her chest and  
had a bad cough. I gave her  
Chamberlain's Cough Remedy ac-  
cording to directions and in two  
days she was well and able to go to  
school. I have used this remedy in  
my family for the past seven years  
and have never known it to fail.  
says James Prendergast, merchant,  
Annato Bay, Jamaica, West India  
Islands. The pains in the chest in-  
dicated an approaching attack of  
pneumonia, which in this instance  
was undoubtedly averted by the  
use of Chamberlain's Cough Remedy.  
It counteracts any tendency of a  
cold toward pneumonia. For sale by

## PROSPEROUS YEAR,

Says Marsh, the Winton Place,  
O., Prophet.

While Abundant Crops Will Bless  
The Earth Terrestrial Dis-  
turbances Will Rule.

Marsh, the Winton Place, Ohio,  
weather prophet, makes the following  
prediction for the present year:  
The year 1903 will be one of the  
most prosperous years on record in  
the commercial life. Great pros-  
perity will cover the entire country,  
and good crops, abundance of fruit  
and a most prosperous year for all,  
the only drawback being the severe  
storms that will prevail during  
1903, causing destruction on both  
land and water. The year will be  
marked with disastrous storms,  
covering the greater portion of the  
country. The precipitation during  
the year will be extremely heavy,  
causing damaging floods over the  
Southern and Gulf states, West Vir-  
ginia, Ohio, Tennessee, Pennsylv-  
ania, Kentucky and river valleys,  
and over the Mississippi Valley.

The months of January, February  
and March will be severe storm  
months, with extremely heavy pre-  
cipitation. Rain and snowfall, fol-  
lowed by extremely cold waves,  
will prevail during January and  
February over the greater portion  
of the country. A great amount of  
rain and snow will occur during  
these months, especially heavy over  
the states of Ohio, Kentucky, In-  
diana, Illinois, Pennsylvania, Ten-  
nessee, West Virginia and along  
the Ohio, Allegheny and Monongah-  
ela Rivers and valleys, the moun-  
tain regions of Pennsylvania and  
the Virginias. Severe, damaging  
storms and blizzards will prevail  
from Colorado to Illinois and the  
Great Lakes, causing snow block-  
ades and delay to traffic. The New  
England and Eastern states will  
be visited by heavy sleet and snow,  
greatly interfering with traffic.  
The sleet and snow storms will be  
especially severe in the states of  
New York, New Jersey, New En-  
gland and on their coasts, with  
amazing storms on the Atlantic  
Ocean.

## Medical Colleges to Get 'Em.

A bill was introduced in the In-  
diana House creating a commission  
to distribute unclaimed bodies and  
bodies of paupers to the various  
medical and dental colleges.

The peculiar cough which indi-  
cates croup, is usually well known  
to the mothers of croupy children.  
No time should be lost in the treat-  
ment of it, and for this purpose no  
medicine has received more univer-  
sal approval than Chamberlain's  
Cough Remedy. Do not waste  
valuable time in experimenting with  
untried remedies, no matter how  
highly they may be recommended,  
but give this medicine as directed  
and all symptoms of croup will  
quickly disappear. For sale by C.

## VOTING CONTEST.

Elegant Prize to be Given to the Most Popular Lady in Christian County.

To Be Determined by a Vote of Kentuckian Subscribers.

A VOTING contest was begun August 29, for six months, to determine by popular vote the most popular lady in Christian County. To the lady receiving the highest number of votes, we will present an elegant set of bedroom furniture, now on exhibition at Pyle & Garrett's. It is of quartered oak, of the finest make and latest style, and is worth \$110. The contest will close at 12 o'clock, noon, Thursday, March 4th, 1903. The plan will be as follows: Every subscriber to the Kentuckian who pays back dues in cash in advance will be entitled to cast one vote for each five cents paid. That is to say, a subscriber who pays \$2.00 will have 40 votes, one who pays \$1.00 will have 20 votes and so on for any amount large or small. In every paper published there will be a coupon and these coupons when cut out and brought or sent to the office will represent each one vote. A subscriber will also have the privilege of gathering up coupons clipped by friends from their papers and voting them one at a time, or by the hundred if preferred. One will also have the privilege of buying papers at the office at five cents each and voting the coupons cut from them.

The coupon ballots will be deposited in a ballot box with two keys. One of these keys will be held by County Judge W. T. Fowler and the other by Mayor Joutett Henry. The box will be opened not oftener than once a week, all ballots then in it taken out, counted and certified to, sealed up in an envelope and replaced in the ballot box. The envelope will contain a statement of the votes in it, so that its contents will not need to be counted again until the official count at the close of the contest.

The last week of the contest the ballots may be deposited without showing them, so that the close of the contest may be secret and exciting to the end.

### HAPPY ENGAGEMENT.

**J. Medill McCormick, of Chicago, Soon to Become the Husband of Miss Ruth Hanna.**

The engagement has just been announced of Miss Ruth Hanna, daughter of the senior United States senator from Ohio, and Medill McCormick, of Chicago, a grandson of the late Cyrus H. McCormick and Joseph Medill. The date for the union has not yet been fixed, but it will doubtless take place in the near future. The alliance of two such prominent families promises to be an event of great interest in their circles. Chicago is the home and was the birthplace of the prospective groom, and here, says the Chicago

**J. MEDILL MCCORMICK.**  
(Young Chicagoan who is engaged to Miss Ruth Hanna.)

Chronicle, he has long been known as one of the forerunners among the young society people of the city. Miss Hanna's home is at Cleveland, and there she was reared in all the luxury that affluence and indulgent parents could bestow upon her. For several seasons she has been one of the leading society lights in the national capital. While Senator Hanna has never been noted for his leadership except in politics, he has given several notable receptions at Washington, and at these his daughter has been conspicuous and has won all hearts by her grace and beauty. She is, withal, a young woman of rare tact and intelligence and is accomplished in all those arts that lend a charm to the society girl of the period. In any society she would be regarded as a leader, independently of her father's exalted position. Her demeanor is exceedingly modest and she has never sought to obtrude herself. Nevertheless, her presence at all the leading social functions at the capital has been greatly in request during the two seasons that have elapsed since her debut. Mr. McCormick has been for a number of years connected with several of the leading Chicago clubs, and in each he is a favorite with both old and young. He possesses excellent business ability, is genial to a fault, correct in his personal habits and in every way an exemplary citizen. The match is regarded as one of the most suitable that could be arranged and the young people will receive the hearty congratulations of hosts of friends who have known them from the days of their childhood up to the present time and have esteemed them for their high standards of deportment and their admirable qualities generally. It has not yet been determined where the young people will take up their residence, but as Mr. McCormick's financial interests are centered in Chicago it is probable they will reside here a large portion of the time, making occasional visits to Washington and Cleveland that they may not be too sorely missed in those cities.

**Emmett Sexton Fleets With a Fatal Accident.**

Emmett Sexton, young man who lived on Standing Rock, near Dover, Tenn., accidentally cut himself with a hatchet, severing an artery near his knee, and bled to death before help could get to him. He and his brother had been in the woods cutting hoop poles, and were on their way home, Emmett swinging the hatchet as he walked along. By some mishap he struck himself with it, walked a few steps and dropped in a fence corner and told his brother to hurry after his mother. They were in sight of the house, but before Mrs. Sexton could get to her son he was speechless, and died in a few minutes.

### HON. ROBERT C. BROWN.

**One of the Most Prominent Men in Southwestern Illinois.**

Robert C. Brown, of Sparta, Ill., has represented his district, the 48th, for six years and was recently notified of his coming appointment as clerk of the U. S. Court for the Southern District of Illinois. He was born in 1859, and has worked his way to the top simply by force of application, energy and good common sense. After working several years as a blacksmith, he studied law at night and was admitted to the bar in 1894. He is a prominent member of the Knights of Pythias, the Elks and Modern Woodmen. February 20, 1901, he writes as follows:

"Pepsin Syrup Co. Dear Sirs—From careful and varied experience I desire to add my testimony as to the merit of your Pepsin Syrup preparation. It is in many respects equal to the services of a dozen physicians. I have used it as a tonic after severe illness and as a strengthener for the stomach and digestive organs. In one case in particular it was of inestimable value in my household, and it is with pleasure that I testify as to its worth as a household remedy. Yours respectfully, R. C. Brown, Representative 48th Senatorial district, Sparta, Ill."

Dr. Caldwell's Syrup Pepsin and Herb Laxative Compound is sold by all druggists in 50c and \$1.00 bottles.

### Origin of Wild Goose Plum.

There are but few people in this country who have not seen and heard of wild goose plums, while it is probable that there are very few of our readers who know anything of their origin. Last week Mr. James Fletcher, of Murfreesboro, Tenn., was our guest. While here this particular fruit was mentioned. Then it was that Mr. Fletcher informed us that the plums got their name from a circumstance that is well authenticated.

In Davidson county, Tenn., many years ago a man named Leonard Keelin shot and killed a wild goose. In its crop were three seeds. These he planted and from this was grown what is now known as the wild goose plum. From the three seeds, there are now millions of these trees scattered all over the United States.—Madisonville Graphic.
